

Environmental Statement

Introduction

Harlaxton Engineering Services Ltd accepts that it has a responsibility to the principles of sustainability and environmental awareness as summarized by the ISO 14001:2015 standard.

Policy Statement

Harlaxton Engineering Services Ltd recognises the social and economic importance of protecting the environment; that its commitment to this must encompass all activities and that it should be prepared to lead by example in promoting a sensitive, considered attitude to the environment. Our approach to managing our environmental issues is compliant to ISO 14001:2015 and any applicable legal or other regulatory requirements.

Aims

- Harlaxton Engineering Services Ltd is committed to reducing any harmful impact its operations have on the local and global environment.
- Harlaxton Engineering Services Ltd will measure its impact on the environment and set targets for ongoing improvement.
- Harlaxton Engineering Services Ltd will comply with all relevant environmental legislation that applies to the company.
- Harlaxton Engineering Services Ltd will raise staff awareness of environmental issues and enlist their support to improve the Company's performance whilst providing any training and resources necessary.
- Harlaxton Engineering Services Ltd will encourage its suppliers and customers to adopt similar principles.
- Harlaxton Engineering Services Ltd will recycle all suitable excavated materials for suitable re-use.

Responsibility

The Directors have the overall and final responsibility for the Environmental Policy with the Management Representative in charge of the co-ordination, implementation and monitoring of the policy throughout the organisation. The top management team will promote continual improvement by demonstrating their leadership in their areas of responsibility. The Environmental Policy will be communicated to all staff and a copy will be displayed on the staff notice board. Each staff member takes responsibility for their own work area. Copies may be made available to interested parties on request. The policy will be reviewed quarterly at Directors Meetings and any updates cascaded throughout the company.
